Pastor Horner preaching

Don't just listen to the Sermon...Ponder how you can live it!

Use these questions as a starting point to dive deeper into the sermon each week. Can be used individually, with family and friends, or with your Life-group!

1. What's knocking you down these days?
2. How can greater love and humility help with that?
3. Think of one specific way in which more love, wisdom, patience, or humility can help you through a problem or situation.
4. How can you help foster unity in your church, community or world?
5. What needs to be emptied in you, so you can be more available to others?
