2023 STEWARDSHIP APPEAL

> Emphasis 2: Explore

Now is the time to grow our ministry and expand our mission into further areas of a needful world. To that end, we're excited to announce our annual appeal campaign to **Impact Lives.**

Live Like Jesus. As part of this campaign, we plan to embark on initiatives that will strengthen our ministry excellence, explore opportunities for creating new

income with high social impact, and invest in our people and assets for future financial health.

In appeal Emphasis 2, we will **Explore** by studying entrepreneurial ideas for enhanced long-term revenue and optimal social impact. Many church communities like ours are researching and pursuing creative ways to increase their giving by engaging in social enterprises. Examples include coffee shops, cleaning services, child care services, book stores, maker spaces, and farmers' markets. This initiative in **Social Enterprise** requires an additional **\$385 each week.**

WHERE WE NEED TO GROW AND GO TO ADVANCE OUR MISSION IN 2023

This graph displays two charts of our giving. The first shows how many gifts are currently being given at the indicated weekly amounts. The other shows how many gifts are needed in each level to reach our goal. As you look over the charts, prayerfully ask yourself the following:

- » How does my giving level compare with other ways I use my money?
- » How adequately does my giving reflect my gratitude to God for all the blessings I have received?
- » Where would I be if I doubled my offerings? And can I consider doing that?
- » How much more could I give if I really wanted to?
