LUTHERAN CHURCH

Dear Members and Friends of Trinity Lutheran Church:

We welcome you to the 2023/2024 Trinity Concert Series!

First of all, thank you for your attendance and generous support last year. Our Concert Series cannot continue without those two vital aspects. We hope you will be just as present and generous this year, as we provide wonderful concerts for the whole family!

This year we are trying something different. This smaller brochure will focus on the upcoming 2023 concerts. In January, we will send out another smaller brochure detailing the 2024 concerts. We have a great lineup of inspirational music! Trinity has historically been a place of renewal through the performing arts. We strive to continue this legacy through our annual Concert Series.

Our Concert Series is primarily self-funded, which means that every penny counts. In fact, more than 75 percent of our funding comes from our valued CONCERT SERIES PATRONS; the rest comes from free-will offerings. This important income allows us to present quality concerts, and in most cases, without charging admission. In some instances when admission is charged, Patrons receive free tickets (see the brochures for details).

Your support matters. We need Patrons! We must raise \$22,850 to cover our costs (this is in addition to the anticipated free-will offerings when applicable). Please complete this form as soon as possible to ensure that your name appears in the first concert program. If paying electronically, you don't even have to return the form (see below). We look forward to your continued support.
