

The Time Is Now

STEWARDSHIP APPEAL 2024

INVEST

For **Financial Strength**, we will continue to **INVEST** in activities that ensure financial sustainability. For example, we should be good stewards of our building because it is the home from which we deliver God's word and from where our work is based.

Additional examples include continuing our environmental enterprise to save energy by using solar power, exploring social enterprises such as childcare or office-sharing to benefit people in the community, and pursuing grants to fund other activities that make financial sense. This emphasis requires that we grow our giving by \$769 each week.

I pray that you may have the power to comprehend, with all the saints, what is the breadth and length and height and depth, and to know the love of Christ that surpasses knowledge, so that you may be filled with all the fullness of God. (**Ephesians 3:18-19**)

RANGE OF GIFTS GIVEN AND HOPED FOR

- NUMBER OF CURRENT GIFVERS = 731 TOTAL
- NUMBER OF HOPED-FOR GIFVERS = 731 TOTAL

This graph displays two charts of our giving. The first shows how many gifts are currently being given at the indicated weekly amounts. The other shows how many gifts are needed in each level to reach our goal.

As you look over the charts, prayerfully ask yourself the following:

- "How does my giving level compare with other ways I use my money?"
- "How adequately does my giving reflect my gratitude to God for all the blessings I have received?"
- "Where would I be if I doubled my offerings? And can I consider doing that?"
- "How much more could I give if I really wanted to?"
